

## ***!The Library Reading Trail!***

***'This is where you read a selection of 8 books one by one to earn a £10 gift card for Amazon!***

***Based on your first choice Ms V, the librarian will help you find a book one after another until you have read all 8.'* Megan Pither  
Year 8**

***Megan began a Reading Trail in Year 7. She really likes reading, but struggles to complete a book, so this was a challenge that appealed to her. She was also keen to earn the £10 Amazon voucher which she will spend on Anime Cosplays. She is hoping to go to a convention.***

***She concentrated on Manga books to read and a couple of LGBTQ books. Some of the books she wouldn't have chosen herself but found them really interesting, including 'I, Ada: Rebel, Genius, Visionary.'***

***She now intends to read 'A Diary of Anne Frank.'***
