

World Book Day in the Library

For World Book Day this year the Student Library Committee went into action and came out in full force to support the library and promote reading. The students involved were: Sophia, Nicole, Chy, Amelia, Amelia, Ella, Lydia, Megan, Flo and Keeleigh.

They organised a second-hand book sale, which proved very popular.

Student Library Committee member, Nicole Sadowska concluded that:

‘The Book Sale was a great success, and it was an awesome pleasure to help the library. It was a great time because everyone was kind and I hope everyone enjoyed it.’

Chey Knight commented: ‘I loved the Book Sale that I joined in with. I felt it was great experience. I hope that people who bought them have great fun.’

They also organised a Cake Sale.

According to Loreen, who runs the Student Library Committee: 'While helping with the cake sale we had lots of fun interacting with other students and raising money for the library to sue for future events.'
