

A Level Fine Art:

Summer work for artists:

All work below can be completed from the internet if you cannot visit the exhibition, but it is preferable to go and see the artwork first-hand.

Visit Hauser & Wirth Somerset, located in Bruton. The exhibition (Phillida Barlow) is free, please check the gallery for opening times. If you visit the exhibition (we are very much hoping you will), try and complete your drawings in the galleries.

Watch the film in the gallery/online, and make notes about areas that interest you, ideas it leads you to, or questions you might have.
